

National Brotherhood of Skiers Eastern Region WinterFest 2019

*Sugarbush Mountain Resort
Warren, Vermont
April 4-8, 2019*

Event Overview

Welcome to WinterFest 2019(The Spring Fling Takeover)! Our end of the ski season... spring fling skiing will be at Sugarbush Resort. The NBS has taken over the entire Sugar Bush Inn. The entire property is for the NBS Eastern Region to party and enjoy. Last year Sugarbush remained open until May. So far this season, they've had plenty of snow. If this continues, there should be plenty left by April. In addition to the skiing and snowboarding, there will be pond skimming and Big Air. The entertainment will be top notch and much more.
